## FIRST MUTUAL LIFE

Choosing a life assurance company you can trust is of vital importance if your objective is maximising your short and long-term investments. From excellent customer service and invaluable local knowledge to innovative products and a strong nationwide distribution network, there are many good reasons why First Mutual Life is one of the nation's favourite, and most trusted, life assurance companies. This is supported by the recent accolade from the **Top Companies Survey 2022** with First Mutual Life winning the **Second Runner-Up** in the Life Assurance Category.

First Mutual Life offers a wide range of innovative products through its two main businesses, namely Employee Benefits and Individual Life & Funeral Business. First Mutual Life's primary business activities are the provision of life assurance and funeral products, retirement benefit products and other long term financial security products. The company continues to be a pacesetter in the market in producing uniquely innovative life assurance products.

First Mutual Life is ISO 9001 certified and has more than 100 years' experience with a wide distribution networks supported by branches and agents throughout the country.

FML is a firm believer in giving back to the community within which it operates and has a robust corporate social responsibility programme (CSR) through its participation in the Group CSR Initiative, the First Mutual Foundation. The Group has partnered with World Education Inc. through provision of bursaries to disadvantaged children allowing them to reintegrate back into the formal education system. Other CSR projects which the company has participated in include industry related sponsorships to Zimbabwe Association of Pension Funds (ZAPF) and the Insurance Institute of Zimbabwe (IIZ).

With First Mutual Life, insurance is designed **With You, For You** in every season of life.
